Minutes

The Executive Committee meeting of APMSPIDA commenced with the recitation of the verses from the Holy Quran by Mr. Abdul Qader, member Executive Committee. Thereafter, the Chairman welcomed the members and accordingly asked the Secretary to table the agenda for the meeting for needful discussion.

AGENDA ITEM #1: To confirm and approve the Minutes of the 11th Meeting of the Executive Committee of APMSPIDA.

The minutes of the 11th Executive Committee meeting held on 18th April, 2026, of the Executive Committee were tabled for the perusal and needful adoption by the house. Being proposed by Mr. Muhammad Tahir and seconded by Mr. Faisal Qayyum Arain, the minutes were approved, and adopted the minutes as is.

AGENDA ITEM # 2: To discuss about the reduction in the custom duty in the motorcycle spare parts imports and accordingly hail the efforts made by President KCC&I and Chairman Customs Valuation APMSPIDA in this respect.

The Chairman apprised the House that, after persistent efforts made by the Association, particularly by our Past Chairmen, Mr. Rehan Hanif, the sitting President KCCI, and Mr. Liaquat Ali Shaikh, the Government of Pakistan has reduced the customs duties, which would provide considerable relief to the importers. The back-to-back meetings and continuous follow-ups have finally borne fruitful results for the motorcycle spare parts industry.

Mr. Liaquat Ali Shaikh, while appreciating the efforts of the sitting Chairman APMSPIDA Mr. Sohail Usman Shaikh, stated that due credit goes to the President KCCI as well as the sitting Chairman APMSPIDA, as during the present tenure two major achievements have been made, namely (i) revision of valuation and (ii) reduction in customs duties.

The House was further apprised that, on the advice of the President KCCI, a detailed presentation was prepared and presented before the FBR authorities. The proposal was principally appreciated by FBR; however, concern was raised that reduction in duties should not adversely affect the Government's overall revenue. FBR accordingly indicated its willingness to consider reduction in duties provided that the revenue collection remained protected.

Thereafter, the President KCCI continued his persistent efforts and follow-ups with the concerned authorities, which ultimately resulted in the reduction of duties. The House appreciated the collective efforts of all concerned and observed that this is indeed a cherishable achievement for the Association and its members and deserves to be celebrated.

AGENDA ITEM # 3: Approval of the Election Schedule for the year 2026-28

The Chairman apprised the House that APMSPIDA will be holding its elections this year for the next two-year term, as the tenure of the existing body is coming to an end. Accordingly, the Election Schedule was tabled before the House for approval of the members so that the same may be formally adopted and the election process carried out accordingly.

The Secretary General briefed the House regarding the election procedure, timelines and other necessary requirements for the information and perusal of the members. After discussion, the House approved the Election Schedule for further necessary action.

AGENDA ITEM # 4: Appointment of the three members election commission.

The following three members were duly appointed as members of the Election Commission to independently supervise, conduct and complete the election process of APMSPIDA for the term 2026-2028, in accordance with the prescribed election schedule and applicable procedures:

1. Mr. Asim Ahmed Magoon
2. Mr. Muhammad Rafique
3. Mr. Khurram Riaz

AGENDA ITEM # 5: To discuss the recent update, BRT Transport Green Line Project, including a review of key deliberations and future course of action.

With respect to the BRT Transport Grade Line Project, Mr. Faisal Qayyum Arain EC member apprised the House that back-to-back meetings were held with the concerned Project Manager and, after persistent follow-up, it was confirmed that the proposed pedestrian bridge would not be constructed at the entry/exit point of the market, as the plan has accordingly been revised.

However, under the revised plan, one of the proposed pillars is likely to affect a portion of a shop belonging to Faisal Sahib. He therefore requested the Project Manager to suitably adjust/relocate the said pillar so that the shop remains unaffected. The Project Manager assured that he would personally visit the site and further discuss the matter for an appropriate solution.

AGENDA ITEM # 6: To deliberate upon the recent meeting with market transporters and to review and finalize the revised transportation tariff in light of the recent decrease in diesel prices.

Mr. Salman Ahmed, Senior Vice Chairman apprised the House that he had held meetings with the market transporters regarding reduction in the prevailing transportation tariff. The transporters maintained that

due to the higher and fluctuating diesel prices, they were presently not willing to reduce the transportation charges below Rs. 200.

The members, however, observed that since diesel prices had recently declined, the transportation tariff should reasonably be brought within the range of Rs. 150 to Rs. 180. Mr. Salman informed the House that discussions with the transporters were still continuing and expressed hope that, through further negotiations, a reasonable and mutually acceptable tariff could be worked out.

AGENDA ITEM # 7: To review and discuss the current financial condition of the Association.

The Secretary General apprised the House that since the Chairman Finance Committee was presently abroad, he had prepared the necessary financial working for presentation before the Board. He informed that the financial position of the Association was presently on the weaker side, as the expenses incurred during the period were comparatively higher than the income generated. He therefore emphasized the need to carefully manage expenditures and improve the Association's financial position in the coming period.

He further apprised the House that an amount of approximately Rs. 450,000 remained short against the diary printing account. Furthermore, the Association would require approximately Rs. 850,000 up to September to meet its routine day-to-day expenditures, including staff salaries, agent expenses and other administrative and operational expenses.

The Chairman, while taking note of the financial position, proposed that donations/contributions be sought from the members to support the Association in meeting its day-to-day expenses. He requested all members to contribute according to their capacity and particularly requested Rehan Sahib, Faisal Sahib, Arif Sahib, Asif Chotani Sahib and the sitting Chairman to extend their support.

AGENDA ITEM # 8: To consider any other matter with the permission of the Chair.

With no item for discussion, the meeting concluded with the vote of thanks to the Chair.
